**White Bulgarian and Parchment Yellow Bulgarian Limestone** is quarried from the edge of the Balkans. White Bulgarian is a new classic. Even toned with a hint of smoke in its shading, this stone lends itself to every setting. Parchment Yellow Bulgarian has the subtle effect of candlelight across its surface. Both stones are understated, elegant and hardwearing. These limestones are suitable for interior and exterior use.

White Bulgarian limestone is available in approximate sizes:

16" x 16" x ½"
